

Adding Events to VisitNH.gov:

To list your events, please go to www.visitnh.gov, and click the **Industry Members** link on the upper right hand side of the page. You can also go straight to the log in page by visiting <http://www.visitnh.gov/industry-members/login.aspx>. Log in to your account and click the "Add Event" button to add your event. The event will be approved by DTTD and should appear on the website within 24-72 hours.

If you need assistance logging into your account, or if you are unsure if you have an existing account, please email listingsnh@dred.nh.gov to request your username and password.

If you do not have an account, please visit <http://www.visitnh.gov/industry-members/new-business.aspx> and complete the form to request a new account. Please use the comment field to indicate you are requesting an account for adding events.

Events Submission Guidelines: *(please read carefully before submitting events)*

Events must be held within the state of New Hampshire. Events submitted for consideration must be open to the general public, of general appeal to visitors and not require lodging. **Ongoing, continuous events are not permitted** (for example museum exhibits being held over the course of several months.) In addition, we do not have the resources to include attraction opening dates and schedules of operation in the events calendar.
