

Dear JPP Applicant:

The guidelines for Joint Promotional Program (JPP) grants require that organizations applying for funding register as an approved vendor through the State of New Hampshire Bureau of Purchase and Property.

The link for online vendor registration is: <https://das.nh.gov/purchasing/vendorregistration>

Please complete and submit the vendor registration information as soon as possible. This will ensure that applications for grants that are recommended for approval can move forward through the Governor and Executive Council process without delay.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

*Barbara Shea*
