Meeting Agenda

1. Welcome and Introductions
2. Study Overview
3. RA/WIC System Overview
4. Driver Survey Results
5. Public Comment

2. Study Overview

Effective FY 2012, DRED and NHDOT entered into an agreement relative to the staffing, daily operation, and routine maintenance of the state's RA/WICs.

2. Study Overview

Project Purpose and Need

The **Purpose** of this study is to evaluate traveler services at the RA/WICs and to identify recommendations to improve these services.

Five Public Sessions have been scheduled throughout the state in an effort to receive comments from the public about NH's RA/WICs and how these facilities affect the local and regional communities.

2. Study Overview

Project Goal

The study will assess traveler uses and needs, identify needed improvements, and inform overall strategic direction of the Welcome and Information Center system.

2. Study Overview

Progress and Schedule

Project began January 2015

Data Collection:

- Inventories
- Traffic and Parking Data
- Visitor Counts
- Driver Surveys
- Focus Group Meetings
- Trucking Industry Feedback

Best Practices in Other States

Study will be completed June 2016
