If you need assistance logging into your account, please email [listingsnh@livefree.nh.gov](mailto:listingsnh@livefree.nh.gov) to request your username. ### **Events Submission Guidelines:**

Events submitted for consideration must be open to the general public, of general appeal to visitors and not require lodging (properties may wish to inquire about submitting a package to our website if this is the case.) Events submitted for consideration must be held within the state of New Hampshire. Ongoing, continuous events are not permitted (for example museum exhibits being held over the course of several months.) In addition, we do not have the resources to include attraction opening dates and schedules of operation in the events calendar.
