11:43:52 From tmalafrente : Another point to consider in our outreach efforts is the fact that New Hampshire's largest commercial service airport (MHT) offers ease of access, and less congestion i.e., social distancing to make travelers feel safe and comfortable when returning to air travel.

11:43:58 From Marti Mayne : I'd love to see that sample too, Valerie.

11:48:49 From tmalafrente : Somewhat off topic- at least for this year...but, has the State ever considered declaring June 3rd "603 Day" to allow businesses around the state to offer special promotions and celebrate NH? I think we need more reasons to celebrate these days...just a thought.

11:49:49 From Jessyca Keeler : Great point about 603 Day! We've talked about that in Ski NH and think it's a great idea. Would love to see a statewide 603 celebration.

11:50:41 From Lorie McClory : Agree with 603.

11:51:18 From Kris Neilsen : It's a great idea Tom... we will look at seeing how we can recognize it next year! Thanks for sharing the idea!

11:51:28 From JessicaZarenko CabernetInn : "603" fun idea. This could be away to start stay packages.
